Getting To Know: James Kretkowski

It's hard to miss James Kretkowski on a football field or for that matter anywhere else as he stands 6'6 and weighs 290 pounds. 2012 was James first year on varsity starting at OT and rotating at DT. With a very impressive running and passing game recruiters started taking notice more and more as the season went on and heading into the 2013 football season he's in the top tier of Long Island high school prospects. For the 2013 season he will captain the Oceanside football team.

Not only is James an outstanding football player but he's also tops in the classroom with a GPA of 98 and an SAT of 1890. He will also be the Oceanside School President for the 2013/2014 school year and hope to be a Lawyer some day. Another big asset for James is that he's very coachable and is well liked by his peers.

College coaches from buffalo, Delaware, Lehigh, Fordham, James Madison and Columbia have already offered and he's getting strong interest from Rutgers, Boston College, Syracuse, UCONN, Harvard and UPENN. By the way the list just keeps on growing.

With the start of the 2013 season right around the corner James goals should be to stay healthy and continue to be a leader on and off the field
